GOVERNMENT OF PUDUCHERRY INDUSTRIAL DEVELOPMENT (POWER) DEPARTMENT

(G.O. Ms. No. 43, dated 13th December 2010)

NOTIFICATION

Whereas by notification No. JERC-9/2009, dated 11-2-2010, the JERC (for the State Goa and Union Territories) has, in exercise of power conferred by section 181 of the Electricity Act, 2003 (Central Act 36 of 2003), made the Joint Electricity Regulatory Commission for the State of Goa and Union Territories (Open Access in Transmission and Distribution) Regulations, 2009 (hereinafter referred to as the said regulations);

And whereas regulation 9 of the said regulation prescribes the Nodal Agency i.e., Electricity Department is required to issue detailed procedures, guidelines, etc.;

Now, therefore, the Electricity Department, Puducherry being the Nodal Agency and in terms of regulation 8 in pursuance of regulation 9 hereby provides the following guidelines, namely:-

GOVERNMENT OF PUDUCHERRY

ELECTRICITY DEPARTMENT

Guidelines/general procedure for Short Term Open Access in Transmission and Distribution**1. Outline :**

These guidelines/general procedure are issued in accordance with various provisions of the Joint Electricity Regulatory Commission for the State of Goa and Union Territories (Open Access in Transmission and Distribution) Regulations, 2009 notified *vide* Notification No. JERC/9/2009, dated 11-2-2010. For complete information, the detailed procedure for reservation of transmission capacity to short term open access users issued by this Department may be referred.

2. Eligibility :

(a) The procedures shall apply to the applications made for scheduling of transactions by availing of Short Term Open Access for use of the intra-State transmission system and/or distribution lines and associated facilities.

(b) Any intra-State power transaction above 1000 KW to a HT/EHT Consumer is eligible for Short Term Open Access (STOA).

3. Period of Short Term Open Access (STOA) :

Maximum duration for the short term open access at a time shall not exceed one year.

4. Nodal Agency :

System Control Centre (SCC), Electricity Department, Puducherry is the nodal agency for permitting Short Term Open Access and the Executive Engineer-O&M in Puducherry and Karaikal regions and Assistant Engineer/O&M of Mahe and Yanam regions designated as Area/Regional Co-ordinator as the case may be, will carryout the energy accounting and other related measures.

5. Address for nodal agency :

Executive Engineer-I/ SCC, Second Floor, Multi-storied Building, Electricity Department, 137, Subhash Chandra Bose Salai, Puducherry - 605 001.

6. Application :

Application shall be submitted along with the details as specified in the application format given in the detailed procedure for reservation of transmission and distribution capacity for short term users.

7. Application fee :

Each application shall be accompanied by a non-refundable application fee of ₹ 5000 (Rupees five thousand only) in the form of demand draft / bankers cheque drawn in favour of the "Junior Accounts Officer/B&E., Electricity Department, Puducherry" payable at par at Puducherry. No cheque payments will be accepted.

8. Documents to be enclosed :

- (a) Agreement by the buyer and seller for the proposed transaction.
- (b) Commitment letter of the buyer and seller.
- (c) Details of terminal beneficiary.

9. Charges payable :

All charges stipulated under clause 16 of JERC's Regulation for Open Access in Transmission and Distribution shall be payable in advance by the seller/buyer as specified below.

(a) Transmission charges and/or Distribution (Wheeling) charges if the intra-State transmission facilities and/or distribution network facilities are utilized (as the case may be).

(b) Cross-Subsidy Surcharge (Except those availing open access facility for transfer of power from their captive power plants to the destination of their own use).

(c) Additional surcharge.

(d) Scheduling and System Operation charges of ₹ 1000 per day or part of the day.

(e) Any other charges as may be specified by the Commission from time to time.

10. Security Deposit :

Payment Security towards charges for open access as stipulated under clause 18 of JERC's Regulations for Open Access in Transmission and Distribution is payable by the buyer/seller.

11. Energy loss :

The open access user is liable to bear the transmission and distribution loss for the Short Term Open Access transaction by way of compensation through additional injection at injection point(s) as stipulated under clause 19 of JERC's Regulations for Open Access in Transmission and Distribution.

12. Energy Metering :

The open access user is required to provide Availability Based Tariff (ABT) compatible meter as main meter at their own cost as stipulated under clause 20 of JERC's Regulations for Open Access in Transmission and Distribution.

13. Other conditions to comply with :

(a) The open access user is liable to abide by the State Grid Code specified by the JERC and amended from time to time.

(b) The open access user's transaction is liable to be curtailed in case of transmission and distribution constraints as stipulated under clause 22 of JERC's Regulations for Open Access in Transmission and Distribution.

(c) The open access user is required to meet any communication requirement as directed by the nodal agency from time to time.

14. Commencement :

Open access transaction shall be commenced (except in cases of day ahead transaction) after payment of all the eligible charges, executing payment security mechanism and after complying with the terms and conditions stipulated under the JERC's Regulation for Open Access in Transmission and Distribution. For day ahead transactions, payments are to be made within the stipulated time given in detailed procedures and the transaction shall commence once it is included in the schedule for the corresponding day.

15. Grievance Redressal Mechanism :

All disputes and complaints relating to Short Term Open Access shall be made to the Nodal Agency, The System Control Centre, Electricity Department, Puducherry.

Any unresolved grievance will be resolved by the State Grid Code Review Committee constituted by JERC.

16. Appellate Authority :

Joint Electricity Regulatory Commission for the State of Goa and Union Territories is the Appellate Authority.

GOVERNMENT OF PUDUCHERRY

ELECTRICITY DEPARTMENT

Detailed Procedure for Reservation of Transmission Capacity to Short Term Open Access Users (Intra-State)

(Notification No. JERC-9/2009 of JERC for the State of Goa and Union Territories)

1.0 Outline :

- 1.1 This procedure is being issued in compliance of the provisions under Regulations 14 (ii) (g) of Notification No. JERC-9/2009.
- 1.2 The procedures shall apply to the applications made for scheduling of transactions by availing of Short Term Open Access for use of the intra-State transmission system and/or distribution lines and associated facilities.
- 1.3 The procedure will come into force with immediate effect.
- 1.4 The detailed procedures have been prepared as per criteria for allotment and reservation of transmission capacity as per Regulation 14 of the Notification No. JERC-9/2009.

2.0 Procedure for day ahead transactions :**2.1 Submission of applications :**

- 2.1.1 In case of day ahead transactions, a composite request (Format -1) for open access and scheduling for the following day shall be sent to System Control Centre (SCC) through concerned distribution licensee/ Electricity Department by 13.00 hrs.
- 2.1.2 Applications received within three days prior to the date of scheduling and upto 13.00 hrs. of the day immediately preceding the day of scheduling shall be treated as having been received together for processing and shall have same priority.
- 2.1.3 The transaction shall be allowed by SCC only for a day or part thereof in blocks.
- 2.1.4 A copy of the application and scheduling request shall be endorsed by the applicant to the following :
 - (i) System Control Centre, Electricity Department, Puducherry.
 - (ii) Superintending Engineer-II, Electricity Department, Puducherry in respect of transaction in Karaikal, Mahe and Yanam regions

(or)

Superintending Engineer-III, Electricity Department, Puducherry in respect of transaction in Puducherry region.
- 2.1.4 The request for above transaction along with consent of buyer / seller shall be submitted by the applicant.

2.2 Processing / Approval of applications :

- 2.2.1 A user seeking short term open access shall ensure that the buyer and seller are in mutual agreement with the proposed transactions. Any disagreement between them may lead to cancellation of the proposal for open access.
- 2.2.2 After receipt of the applications, the concerned Superintending Engineer-II/III, Electricity Department, Puducherry involved in the transactions shall process the applications and forward along with their consent/ denial so as to reach the SCC within the time period mentioned in para 2.1.1. In case of denial of access, SCC shall furnish to the applicant reasons for the same.
- 2.2.3 SCC shall take steps to incorporate the transactions under category at para 2.1.1 above in the day ahead schedule to be issued by SCC if the request can be accommodated without congestion. In case of congestion, SCC shall intimate the applicant accordingly.

- 2.2.4 The transactions included in the schedule shall be considered as approval and if surrendered before commencement or during the period of transaction, all applicable charges shall be payable by the user. Necessary written approval as per Format-2 along with the schedule of payments to be made by the user will be sent separately.
- 2.2.5 *Pro-rata* capacity approval shall be given in case, applications are for more than available capacity.
- 2.3 *Scheduling :*
- 2.3.1 Open access user shall submit a composite request for open access and scheduling to SCC through Superintending Engineer-II/III, Electricity Department, Puducherry for transaction under category at para 2.1.1 above.
- 2.3.2 All such transactions shall be made by the applicant after tying up all commercial terms and conditions with the concerned agencies.
- 2.4 *Payment terms :*
- 2.4.1 Applicant shall make the non-refundable application fee mentioned in para (i) below along with the application to SCC. In respect of other charges from (ii) to (v) mentioned below, payment may be made to SCC within 3 working days (Format-3) of making of application when its request for open access is included in the Schedules.
- (i) Non-refundable application fee @ ₹ 5000 per transaction to be paid along with the application form even if request is not accommodated.
 - (ii) Schedule and system operating charges payable by consumer to SCC @ ₹ 1000 per day and by supplier to SCC @ ₹ 1000 per day.
 - (iii) Transmission/Distribution (Wheeling) charges payable to transmission /distribution licensee at a rate approved by JERC.
 - (iv) Cross subsidy surcharge as approved by JERC from time to time.
 - (v) Additional surcharge as approved by JERC from time to time.
 - (vi) Any additional cess / surcharge/duties and taxes levied by the Government shall be extra as applicable.
- 2.4.2 All payments shall be remitted only by demand draft/bankers cheque drawn in favour of “Junior Accounts Officer/B&E., Electricity Department, Puducherry” payable at par at Puducherry. No cheque payment will be accepted.
- 3.0 **Procedure for “Advance Reservation” of Transmission Capacity :**
- 3.1 *Submission of applications :*
- 3.1.1 All applications (Format-4) intended to be covered under Regulation 14 of the Notification JERC-9/2009 for advance reservation, shall be submitted separately for each transaction to the nodal agency *i.e.* System Control Centre (SCC), Electricity Department, Puducherry as per enclosed format. This application shall be submitted preferably in cover marked “Applications for Short Term Open Access - Advance Reservation”.
- 3.1.2 The applications under this category shall be processed only if such applications are received up to 17.00 hrs of 19th day of the month and the short term access is commencing from the next month and is not ending beyond one year, taking the month in which application is made as first month.
- 3.1.3 All the applications received up to 17.00 hrs of 19th day of the month shall be considered together on the twentieth day of the month for the advance reservation.

- 3.1.4 A copy of the application shall be endorsed by the applicant to the following:
- (i) Superintending Engineer-II, Electricity Department, Puducherry in case of Karaikal, Mahe and Yanam regions.
 - (ii) Superintending Engineer-III, Electricity Department, Puducherry in case of Puducherry region.
- 3.1.5 The following shall be enclosed along with the applications :
- (i) Copies of the agreements/MoUs entered between the buyer/seller/ trader.
 - (ii) Commitment letter of the buyer and seller.
 - (iii) Details of terminal beneficiary.
 - (iv) Clearance letter from the concerned Financial Controller or Executive Engineer/O&M towards clearance of payment dues in case of existing HT/EHT consumers of Electricity Department, Puducherry.
 - (v) Non-refundable application fee of ₹ 5,000.
- 3.2 *Processing / Approval of Applications :*
- 3.2.1 Processing of application for short term open access reservation shall be done as per Regulation 14 of Notification JERC-9/2009.
- 3.2.2
- (i) While processing the applications, SCC shall seek the consent (Format-5) of the Superintending Engineer-II/III, Electricity Department, Puducherry involved in the transaction by the 20th of the month.
 - (ii) The Superintending Engineer-II/III, Electricity Department, Puducherry shall give their consent latest by 22nd day of the month (15.00 hrs). In case of denial of access, the Superintending Engineer-II/III, Electricity Department, Puducherry shall furnish reasons for the same.
 - (iii) Superintending Engineer-II/III, Electricity Department, Puducherry shall give their application wise consent (Format -6) to SCC. In case of constraint in the State System, SCC shall decide about reduction in MW quantum.
- 3.2.3 In case of perceived congestion in transmission corridor, SCC by 23rd day of the month will inform the concerned applicant(s) (Format-7). By 25th day of the month latest by 11.00 hrs, the applicants must inform SCC (Format-8), the reduced requirement of transmission capacity during the period of congestion or opt for access only for the duration when no congestion is anticipated. In case of non-receipt of revised information in time, it is presumed that the applicant is no longer interested in revising it and SCC will process the application accordingly.
- 3.2.4 In case SCC does not anticipate congestion in any of the transmission corridor(s) involved, the applicant(s) shall be granted short term open access for the quantum and duration sought by 25th day of the month.
- 3.2.5 In case SCC still anticipates congestion in one or more of the transmission corridor, it shall invite snap bids through e-mail/fax for reservation of transmission capacity on 26th day of the month and the successful applicants shall be granted short term open access by 27th day of the month.
- 3.2.6 SCC shall issue transaction-wise approval (Format-9 along with the schedule of payments to be made by the user) from:
- (A) Point of injection of a seller as confirmed by Electricity Department, Puducherry.
 - (B) Point of drawl of buyer as confirmed by Electricity Department, Puducherry.
- 3.2.7 The applicant shall pay all applicable charges in advance as per the Schedule of Payment issued by SCC within 3 working days from the date of grant of access by SCC (Format-10).

- 3.2.8 In case the applicant wants to surrender the reserved capacity before commencement of transaction, it should request for surrender along-with payment of 7 days short term open access charges or the period of access granted whichever is shorter, to SCC within 3 working days from the date of grant of access.
- 3.2.9 A non-receipt or a delayed receipt of the payment shall be considered as a "Payment Default" by the applicant.
- 3.3 *Scheduling :*
- 3.3.1 The user's co-ordinators shall co-ordinate with each of the other utilities involved and furnish the transaction details to the Electricity Department, Puducherry on a daily basis, so as to enable the SCC to incorporate the transaction in the day ahead schedules and revisions thereof. In case mismatches are found in the transaction details, it will not be possible for the SCC to schedule the same and the user shall be intimated accordingly.
- 3.3.2 Electricity Department, Puducherry shall inform SCC, by 13.00 hrs each day regarding their proposed open access transactions, transaction-wise for the next day. Modification/changes, if any, shall be conveyed latest by 20.00 hrs of the same day.
- 3.3.3 The ramp-up/ramp-down, if required, in daily schedules (issued by SCC) on account of such transactions, shall commence at the time of commencement of the transaction and shall end at the time of termination of the transaction.
- 3.3.4 The users shall co-ordinate with the Injecting Utility and Electricity Department, Puducherry in case of revision and send a consolidated request to SCC and concerned Superintending Engineer-II/III, Electricity Department, Puducherry. Superintending Engineer-II/III, Electricity Department, Puducherry shall intimate SCC for taking up the revision. SCC shall entertain the request for revision only on *bona fide* ground and the same shall be implemented from the sixth time block considering the block in which request for revision is received as first time block. The decision of SCC regarding acceptance of the request for revision shall be final and binding.
- 3.4 *Non-utilisation of Reserved Transmission capacity by Short Term Open Access user :*
- 3.4.1 In accordance with the provisions contained in Regulation 15(i) of Open Access Regulation Notification No. JERC-9/2009, a short term user, unable to utilize full or substantial part of the reserved transmission capacity shall intimate the same to SCC mentioning the approval No. *vide* which the approval had been accorded. SCC shall issue a revised approval to the user to this effect. The surrender of reserved capacity shall be effective from the next day of the request received.
- 3.4.2 In accordance with the provisions contained in Regulation 15(ii) of Open Access Regulation Notification No. JERC-9/2009, SCC may on its own reduce or cancel the reserved transmission capacity of a short term user when such a short term user frequently under-utilises the reserved transmission capacity, SCC decision on frequent under-utilisation depending upon grid conditions shall be binding to all. Before reducing or cancelling the reserved transmission capacity, SCC will give due notice of one day to such short term users and on expiry of notice period, the reserved transmission capacity will be reduced/cancelled.
- 3.4.3 In accordance with provisions in Regulation 15(iii) of Open Access Regulation Notification No. JERC-9/2009, the short term user who has surrendered the reserved transmission capacity under clause 3.4.1 above or whose reserved transmission capacity has been reduced or cancelled under clause 3.4.2 above, shall bear the transmission charges and operating charges based on original reservation of transmission capacity for seven days (short term charges for seven days from the date of surrender/cancellation/reduction shall be considered) or the period of reservation surrendered or reduced or cancelled as the case may be, whichever period is shorter.

- 3.4.4 The transmission capacity becoming available as a result of surrender by short term user under clause 3.4.1 above or as a result of reduction or cancellation of the reserved transmission capacity by SCC under clause 3.4.2 above shall be reserved for any other short term user in accordance with relevant provisions of regulations on open access.

3.5 *Commercial conditions:*

In terms of the provisions under Regulation 16 of Open Access Regulation Notification No. JERC-9/2009, following commercial conditions shall apply.

3.5.1 Terms of payment

- (i) All payments associated with short term open access shall be made by the applicant/user to SCC.
- (ii) Payments shall be made for each approval separately.
- (iii) Applicant shall make following payment in advance to SCC within three working days from the date of grant of access.
 - (a) Transmission/Distribution (Wheeling) charges [as per Regulation 16 (i)].
Full amount for next three months or period of access, whichever is less in respect of Electricity Department, Puducherry.
 - (b) Scheduling and System Operating charges [as per regulation 16(iv)].
Full amount for next three months or period of access, whichever is less, in respect of SCC.
 - (c) Cross Subsidy charges [as per regulation 16(ii)].
Full amount for next three months or period of access, whichever is less in respect of Electricity Department, Puducherry.
 - (d) Additional Surcharge [as per regulation 16(iii)].
Full amount for next three months or period of access, whichever is less in respect of Electricity Department, Puducherry.
- (iv) In case of transaction for a period more than three months, user shall make subsequent payment to SCC covering the transmission/distribution (wheeling) charges, scheduling and system operating charges as indicated in the "schedule of payments" enclosed with approval latest by 11.00 hrs of the working day, before beginning of the next quarter. No separate bills shall be issued by SCC for quarterly payments.
- (v) All payments shall be remitted only by demand draft/bankers cheque drawn in favour of "Junior Accounts Officer/B&E, Electricity Department, Puducherry" payable at par at Puducherry. No cheque payments will be accepted.
- (vi) In case an applicant relinquishes/abandons an approval issued, payment of seven days of transmission/wheeling charges, scheduling and system operating charges or the period of access granted whichever is shorter shall be payable by the user.
- (vii) Any additional cess / surcharge/duties and taxes levied by the Government shall be extra as applicable.

3.5.2 *Payment security mechanism:*

In terms of provisions under Regulation 18 of Notification No. JERC-9/2009 the "payment security mechanism" specified hereunder is intended to ensure recovery of applicable payments in case of a payment default and not as a mechanism for regular payment. The Letter of Credit provides security against default in payment to be normally made through demand draft/bankers cheque.

- (i) When duration of access granted exceeds three months, the user shall either open an irrevocable revolving Letter of Credit (LC), or maintain cash security deposit with SCC for an amount equivalent to three months average bill including all charges payable by him for grant of open access.
- (ii) LC shall be opened in any Nationalised Bank.
- (iii) LC shall be opened within seven (7) days of commencement of open access transaction.
- (iv) LC shall be valid for entire duration of the transaction.
- (v) LC shall be negotiated by SCC on the basis of the "Schedule of Payment" enclosed with the approval as and when the user fails to remit required payment in full by its due date.
- (vi) In case LC is not timely negotiated, the responsibility lies with the user and the same shall be treated as "payment default".
- (vii) Terms of LC shall be as per format enclosed.

3.6 *Bidding procedure :*

- 3.6.1 In terms of provisions of Regulation 14 of Notification No.JERC-9/2009 on Open Access, whenever capacity sought to be reserved by applicants, for a particular day or part thereof, is more than the surplus transfer capacity available, SCC shall invite snap bids through fax/e-mail from such applicants.
- 3.6.2 Bidding process and reservation of capacity to the bidders shall be as per provision of Regulation 14.
- 3.6.3 Bids shall be invited for only such period during which congestion is expected to occur.
- 3.6.4 Decision of the SCC in respect of an expected congestion shall be final and binding.
- 3.6.5 Only applicants through their registered users shall be entitled to submit a bid.
- 3.6.6 Bids shall be accepted up to "bid closing time" indicated in bidding invitation format.
- 3.6.7 Modification/amendment to a bid, once submitted, including submission of a second bid by an applicant shall not be accepted.
- 3.6.8 Bids sent through post shall not be accepted.
- 3.6.9 Bid price should be quoted in terms of percentage (%) of floor rate subject to a minimum as 100%. The floor rate for bidding shall be equal to ST rate applicable for the day even though congested period may be only for few hours.
- 3.6.10 In case any of the applicants choose not to submit a bid, his application for open access shall be treated as cancelled and will not be processed. The transmission capacity becoming available as a result of non-participation in bidding shall be reserved for any other short term user in accordance with relevant provisions of regulations on open access.
- 3.6.11 No requests for extension of the time/date for submission of the bids shall be entertained by SCC.
- 3.6.12 SCC reserves the right to reject an in-complete/vague bid and/or not found to be in conformity with these procedure/regulations on open access.

4.0 **Procedure for reservation of Transmission Capacity for Short Term Open Access for "First-Come-First-Served" applicants:**

4.1 *Submission of applications:*

- 4.1.1 An application for short term open access in a prescribed format (Format -4) shall be submitted by open-access user for each transaction to SCC. Application shall be submitted preferably in a cover marked "Application for short term open access -First-come-first-served."

- 4.1.2 A copy of the application shall be endorsed by the applicant to the following:
- (i) Superintending Engineer-II, Electricity Department, Puducherry in case of Karaikal, Mahe and Yanam regions.
 - (ii) Superintending Engineer-III, Electricity Department, Puducherry in case of Puducherry.
- 4.1.3 Applications received under the following category shall be treated as first-come-first-served applications.
- (i) Applications received in a month for open access commencing and terminating in the month in which application is made, excluding application for the day ahead transactions.
 - (ii) Applications received after 19th day of the month for open access commencing and terminating in the following month. All such applications received between 20th and 26th of the month shall be processed only after 26th on first-come-first-served basis.
 - (iii) Applications received under first-come-first-served category for open access shall be considered only when transactions are commencing and terminating in the same calendar month.
- 4.1.4 The following shall be enclosed along with the application.
- (i) Copies of agreements/MoUs entered between the buyer/seller/ trader.
 - (ii) Commitment letter of the buyer and seller.
 - (iii) Details of terminal beneficiary.
 - (iv) Clearance letter from the concerned Financial Controller or Executive Engineer /O&M towards clearance of payment dues in case of existing HT/EHT consumers of distribution licensee.
 - (v) Non-refundable application fee @ ₹ 5,000.
- 4.2 *Processing / Approval of applications:*
- 4.2.1 Applications received by SCC between 10.00 hrs of a day and 10.00 hrs of the following day shall be treated as to have been received together for processing and shall have the same priority. In case of congestion, the reservation shall be granted on *pro rata* basis.
- 4.2.2 While processing the applications, SCC shall seek the consent Superintending Engineer-II/III, Electricity Department, Puducherry involved in the transaction in a prescribed format (Format -5). Time taken by Superintending Engineer-II/III, Electricity Department, Puducherry to give acceptance would be as under:
- Transaction up to one week - 1 day
Transaction exceeding one week - 2 days
- In case of denial of access, the Superintending Engineer-II/III, Electricity Department, Puducherry concerned shall furnish reasons for the same.
- 4.2.3 Superintending Engineer-II/III, Electricity Department, Puducherry shall give their application wise consent to SCC (Format -6).
- 4.2.4 SCC shall issue transaction wise approval from the point of injection of a seller to the point of drawl of buyer as confirmed by SCC (Format-9) along with the schedule of payments to be made by the user.
- 4.2.5 The applicant shall pay advance charges as per the Schedule of Payment issued by SCC within 3 working days from the date of grant of access by SCC (Format - 10).
- 4.2.6 In case the applicant wants to surrender the reserved capacity before commencement of transaction, it should request for surrender along with payment of 7 days short term open access charges or the period of access granted whichever is shorter, to SCC within 3 working days from the date of grant of access.
- 4.2.7 A non-receipt or a delayed receipt of the payment shall be considered as "Payment Default" by the applicant.

4.3 *Scheduling :*

- 4.3.1 The user's co-ordinators shall co-ordinate with each of the other utilities involved and furnish the transaction details to the Electricity Department, Puducherry on a daily basis, so as to enable the SCC to incorporate the transaction in the day ahead schedules and revisions thereof. In case mismatches are found in the transaction details, it will not be possible for the SCC to schedule the same and the user shall be intimated accordingly.
- 4.3.2 Electricity Department, Puducherry shall inform SCC, by 13.00 hrs each day regarding their proposed Open-Access transactions, transaction-wise for the next day. Modification/ changes, if any, shall be conveyed latest by 20.00 hrs of the same day.
- 4.3.3 The ramp-up/ramp-down, if required, in daily schedules (issued by SCC) on account of such transactions, shall commence at the time of commencement of the transaction and shall end at the time of termination of the transaction.
- 4.3.4 The users shall co-ordinate with the Injecting Utility and Electricity Department, Puducherry in case of revision and send a consolidated request to SCC and concerned Superintending Engineer-II/III. Electricity Department, Puducherry. Superintending Engineer-II/III, Electricity Department, Puducherry shall intimate SCC for taking up the revision, SCC shall entertain the request for revision only on *bona fide* ground and the same shall be implemented from the sixth time block considering the block in which request for revision is received as first time block. The decision of SCC regarding acceptance of the request for revision shall be final and binding.

4.4 *Commercial conditions :*

In terms of the provisions under Regulation 16 of Open Access Regulation Notification No. JERC-9/2009, following commercial conditions shall apply.

4.4.1 Terms of payment

- (i) All payments associated with short term open access shall be made by the applicant/user to SCC.
- (ii) Payments shall be made for each approval separately.
- (iii) Applicant shall make following payment in advance to SCC within three working days from the date of grant of access.
 - (a) *Transmission/Distribution (Wheeling) charges [as per regulation 16(i)]*
Full amount for next month or period of access, whichever is less in respect of Electricity Department, Puducherry.
 - (b) *Scheduling and System Operating charges [as per regulation 16(iv)]*
Full amount for next month or period of access, whichever is less, in respect of SCC.
 - (c) *Cross Subsidy charges [as per regulation 16(ii)]*
Full amount for next month or period of access whichever is less in respect of Electricity Department, Puducherry.
 - (d) *Additional Surcharge [as per regulation 14(iii)]*
Full amount for next month or period of access whichever is less in respect of Electricity Department, Puducherry.
- (iv) In case of transaction for a period more than a month, user shall make subsequent payment to SCC covering the transmission/distribution (wheeling) charges, scheduling and system operating charges as indicated in the "schedule of payments" enclosed with approval latest by 11.00 hrs of the working day, before beginning of the next month. No separate bills shall be issued by SCC for monthly payments.

- (v) All payments shall be remitted only by demand draft/bankers cheque drawn in favour of "Junior Accounts Officer/B&E, Electricity Department, Puducherry" payable at par at Puducherry. No cheque payments will be accepted.
- (vi) In case an applicant relinquishes/abandons an approval issued, payment of seven days of transmission/distribution (wheeling) charges, scheduling and system operating charges or the period of access granted whichever is shorter shall be payable by the user.
- (vii) Any additional cess / surcharge/duties and taxes levied by the Government shall be extra as applicable.

5.0 General :

- 5.1 In the existing set up the Nodal Agency, System Control Centre (SCC) is functioning as an integral part of Electricity Department, Puducherry and all correspondences intended to Nodal Agency shall be addressed to the Executive Engineer - I / SCC, Electricity Department, Puducherry.
- 5.2 Any amendment/modification to an existing application/agreement except those specifically mentioned in the procedure, shall be treated as a fresh application.
- 5.3 The "month" means a Calendar month as per the British Calendar.
- 5.4 The "day" means a day starting at 00.00 hrs and ending at 24.00 hrs. For example, in the application of reservation for the time period 23.00 hrs. to 05.00 hrs. the reservation of capacity shall be from 23.00 hrs. to 24.00 hrs. in one block and 00.00 hrs. to 05.00 hrs. in another block and short-term charges shall be payable accordingly.
- 5.5 The duration of reservation in a day/block shall be continuous based on which the short-term transmission charges shall be applicable. For example, in the application of reservation for time period 08.00 hrs. to 10.00 hrs. and 17.00 hrs. to 21.00 hrs. of the day, the reservation of the capacity shall be from 08.00 hrs. to 10.00 hrs. in one block and 17.00 hrs. to 21.00 hrs. in another block and short-term charges shall be payable accordingly.
- 5.6 In case of varying capacity reservation sought over the same time block/day, the highest capacity sought to be reserved shall be considered for capacity for reservation and charges shall be regulated accordingly.
- 5.7 During the course of the day of operation, requests for revisions of the schedules of the short-term Open Access transactions shall not be entertained, by the SCC.
- 5.8 The request for transfer of reserved transmission capacity by a short-term user to any other user shall not be entertained.
- 5.9 The short-term users who have not been granted the reservation of transmission capacity, their applications shall stand disposed off. The applicants shall be intimated about the same by SCC.
- 5.10 All costs/expenses/charges associated with Bank draft/Letter of Credit shall be borne by the applicant/user.
- 5.11 An incomplete/vague application and an application not found to be in conformity with these procedures/regulations shall be rejected.
- 5.12 *Curtailment of Short term transactions :*

Reservation of transmission capacity to the short-term user may be reduced or cancelled by SCC, if the Central Government allocates power from the Central generating station to Electricity Department, Puducherry and such allocation, in the opinion of SCC cannot otherwise be implemented due to congestion in transmission link. In the event of reduction or cancellation of transmission capacity reserved for a short-term user by SCC due to above reasons, the short-term user shall be intimated by SCC, its decision to reduce or cancel transaction capacity within a day of receipt of such allocation from competent authority.

- (i) When because of transmission constraint or otherwise, it becomes necessary to curtail the transmission service of the transmission users, the short-term user shall be curtailed first followed by the long-term user. Provided that within a category all users shall have same curtailment priority and shall be curtailed *pro-rata* to the reserved transmission capacity in case of short-term users.
 - (ii) In case of curtailment of more than 50% of the reserved transmission capacity by SCC on any particular day on account of transmission constraints, the transmission charges for that day shall be payable by short-term users on *pro-rata* basis in accordance with the transmission capacity actually provided.
- 5.13 None of the charges payable by short-term open-access users and/or any other utilities involved in the transaction shall be adjusted by them against any other payments/charges.
- 5.14 In case of a force majeure as determined and notified by SCC, SCC may curtail/suspend a scheduled transaction. The decision of SCC as to the existence of a force majeure condition shall be final and binding.
- 5.15 The applicants shall abide by provisions of the Electricity Act, 2003 and Indian Electricity Grid Code/State Grid Code as amended from time to time.
- 5.16 *Payment default :*
- (i) In case of payment default, the SCC shall suspend the transaction forthwith and the transaction shall be scheduled only after the outstanding payments have been made in full along with surcharge @ 0.1% per day from the due date of payment to the actual date of payment. The surcharge so received shall be retained by SCC. In case of persistent payment defaults, new applications from such a customer may not be entertained by the SCC for a period upto twelve months.
 - (ii) Also, any new application of such users shall be entertained by SCC only after receipt of outstanding payment along with surcharge.
 - (iii) In case a payment made by the applicant through cheque has been dishonoured, the applicant shall immediately pay the amount due by demand draft and no further cheque payment will be accepted from that user for next three (3) months.
- 5.17 Average energy losses shall be applied as provided under Regulation No. 19 of Notification No. JERC-9/2009.
- 5.18 *Disbursal of payment:*
- (i) SCC will reconcile the short-term open-access charges collected during the previous month.
 - (ii) In case of refund due to curtailment or surrender of capacity by any open-access user becomes due during the previous month, the same shall also be disbursed to the concerned short-term open-access user within the current month.
- 5.19 The applicant/user shall keep SCC/Electricity Department, Puducherry indemnified at all times and shall undertake to indemnify, defend and save SCC/Electricity Department, Puducherry harmless from any and all damages, losses, claims and actions including those relating to injury to or death of any person or damage to property, demands, suits, recoveries, costs and expenses, court costs, attorney fees and all other obligations by or to third parties, arising out of or resulting from transactions.

6.0 Review of the procedure:

These procedures have been prepared considering the avenues available and the intricacies involved. However, some teething problems may still be experienced. The various implications would be known only after practical experience is gained by way of implementing these procedures. In order to resolve the same these procedures would be reviewed, as and when required or in the event of any amendment to the open access regulations.
